WHY LLCC?

LLCC has been providing excellence and innovation in transfer and career education for more than 50 years, with thousands of successful alumni.

Reduced costs for a quality education.

For full-time students, tuition and fees at Illinois community colleges are approximately $10,000 less than a public university and over $35,000 less than a private institution.

Courses transfer to four-year institutions for a fraction of the cost.

Many LLCC students qualify for grants, financial aid and scholarships to assist with the cost of their education.

More than $444,000 in scholarships were awarded for 2021-2022 by the LLCC Foundation.

Students undecided on a major can explore various fields of study without incurring unnecessary debt.
Students are not alone as they progress through their studies at LLCC.

LLCC prepares students for steady careers.

LLCC is the leader in providing essential workers for our communities.

Private career training institutions are much more expensive and can lead to unnecessary student debt.

LLCC career programs are affordable and taught by experts in state-of-the-art facilities, including the new Nursing Education Center.

LLCC works with area employers to invest in the success of our students and the economic development of our region.

Students interested in health care careers should consider LLCC first.
LLCC maintains the highest level of accreditation for online teaching from the Higher Learning Commission.

LLCC faculty receive intensive training in online teaching.

Smaller class sizes contribute to a more personalized online experience.

LLCC offers hundreds of online general education courses that transfer to four-year colleges and universities, as well as many major-specific and career-focused courses.

LLCC offers face-to-face, online and hybrid courses.

Students can choose which type of classes fits their needs and schedules.
